

SpinShield

Concentrated Cleaner for Spin-Bonnet Programs

The Carpet Shield System

The Carpet Shield System consists of 2 specialized products that work in conjunction with one another for a complete carpet maintenance program. Both products are powerful cleaners that contain a unique protective treatment that helps prevent oily dirt from adhering to carpet fibers.

SpinShield

SPINSHIELD is a spin-bonnet detergent formulated to clean and leave a protective treatment on carpet. It is used with a normal spin-bonnet; no special methods or equipment are needed. The protective treatment in SPINSHIELD is based on advanced soil resistance technology. Use SPINSHIELD on all commercial carpet.
