

**DIRECTIONS:** MASTERY-dL can be used straight or diluted with water. 1. Dilutions: a) Heavy soil (adhesives, tar, inks, etc.); Use straight. Medium Soil; 6-10 oz./gallon of water. Light Soil; 2-4 oz. per/gallon of water. b) Mastery-dL can also be used to add citrus power to other Multi-Clean cleaners and degreasers. Using the dilutions listed above, add Mastery-dL to the diluted cleaning solution. 2. Apply with a brush, sponge, mop, etc. or by soaking. 3. Allow to stand on surface for a few minutes to penetrate soil. Agitate if necessary. 4. Rinse with water.

**NOTE:** Do not apply directly to carpet; squirt on rag and blot only. Certain plastics and paints may be damaged by contact, test before use. Do not use through equipment with plastic or rubber parts or damage to parts could occur. When using to remove mastic from concrete before carpeting floors, rinse well after use and allow time for all residual solvent to evaporate before installing carpet.
