## HD - Heavy Duty Cleaning

**Double-O-Seven** when dispensed through the Multi-Task Dispenser is used for grout cleaning and brightening, kitchen degreasing, restroom cleaning, spotting and stain removal, pre-spray and other tough cleaning tasks. The combination of hydrogen peroxide (the "OXYgenator" which provides color safe bleaching and deodorizing) and biodegradable surfactants provides superior cleaning of all water safe surfaces, yet is very environmentally responsible.

**Double-O-Seven** is effective at removing greasy soils, dirt, and oils while brightening and deodorizing the surfaces at the same time.

**Double-O-Seven** does not contain any glycol ethers such as "Butyl", phosphates, nonylphenols, or chlorine bleach.

Use good safety practices: wear rubber gloves & safety goggles when handling cleaning products.

Disposal: waste from normal cleaning procedures may be sewerred, depending on the materials being cleaned as well as state, federal and local sewer commission regulations. Improper use and dilution poses risk of physical injury or property damage.
