

RSB

Finish Maintainer

Versatile

A multiple use finish restorer formulated for high and ultra high speed floor care systems. R.S.B. can be used with all Multi-Clean floor finishes.

Easy to Use

R.S.B. can be used as a mop-on restorer, as a high speed spray burnishing compound, or as a cleaner restorer through an automatic scrubber.

Labor Saver

Quick and easy to apply, R.S.B. restores the "wet look" on floors while providing excellent scuff, scratch and black heel mark resistance.

An Ultra High Speed Maintenance Program utilizing PRIME SHINE and R.S.B. will greatly prolong the periods between costly stripping operations thus reducing your overall labor costs.

RSB exceeds slip resistance when tested according to ASTM D-2047. (James Machine)
