Multi-Clean[®]

Bio-Enzymatic

Trap and Drains

Bio-Power

Effectively maintains flow through drain lines by consuming organic build-up in pipes. Excellent for grease traps. Reduces or eliminates the need to pump traps. Use in any facility where food is handled. Effective odor counteractant for drains.

Bio-Pump AC

Keep drains and grease traps running and odor free. Programable pump doses Bio-Power.
Item No. 421810

Bio-Pump DC

Keep drains and grease traps running and odor free. Programable pump doses Bio-Power into traps and drains.
Item No. 421805

Urine and Stains

Bio-Power is a multi-purpose biological digester/odor counteractant, containing a synergistic blend of microorganisms that release enzymes to consume a variety of organic debris including urine deposits, trap & drain grease, vomit, blood stains, septic waste and other similar odor causing debris.

Bio-Power is effective at eliminating persistent urine odors in carpet and other surfaces.

- Great for use in kennels.
- Use on carpet, pet beds, furniture.
- Helps in eliminating territory marking.
- Safe for Septic Systems: Initially 1 pint per 25 cubic feet capacity, maintain by using 8 oz. per week.

Bio-Enzymatic Odor Control

Multi-Task Concentrates

16 Neutra-Zyme

Highly effective for daily cleaning by automatic scrubber or damp mop. The surfactants penetrate and suspend soils without dulling of finishes. Neutral pH 7

Neutra-Zyme is fortified with Bio-Zyme, a proprietary blend of beneficial bacteria and natural enzymes that provide superior cleaning power and odor control. Use on VCT, rubber, ceramic, grout, wood, laminate and polished concrete. Item No. 908652

17 Odor-Rite Tropical

Not just a coverup, Odor-Rite Tropical Fresh captures and inactivates malodor molecules. Use in a spray bottle for general air freshening, pump up sprayer for dumpsters, or other malodor sources. Add to mop water or autoscrubber solution tanks to leave a fresh scent behind after cleaning. Item No. 908872

18 Tri-Fecta

Tri-Fecta is a bio-enzymatic cleaner that effectively cleans and consumes with deodorizing action. The fresh mint fragrance leaves surfaces smelling fresh and clean. Great for use around trash containers and dumpsters. Use on restroom surfaces and grouted tile floors to neutralize odors. Item No. 908962

19 Enzy-Clean

Enzy-Clean is an enzymatic floor degreaser. It is a safer and more effective way to keep kitchen floors free of grease and oil. Use on quarry tile, epoxy, and concrete floors. Item No. 908662

Odor-Out

A concentrated deodorant that can be sprayed, mopped or wiped on any surface that is not harmed by water. Add to shampoos, cleaners and rinse water to control undesirable odors in hospitals, nursing homes, veterinary clinics, restrooms, food processing areas, etc. Item No. 902143

Magico

Cleans and deodorizes in one step, use on floors, walls, countertops, and other washable surfaces. Great for restrooms, kitchens, office buildings, schools, retail stores or anywhere a deodorizing cleaner is desired. The long lasting lavender fragrance leaves surfaces smelling fresh and clean. Item No. 908953

Triple Play

Cleans and deodorizes carpet in one step, used in extraction programs, bonnet cleaning, and spot cleaning. Contains Bio-Zyme to neutralize odors and remove protein based stains.

Enzy-Clean

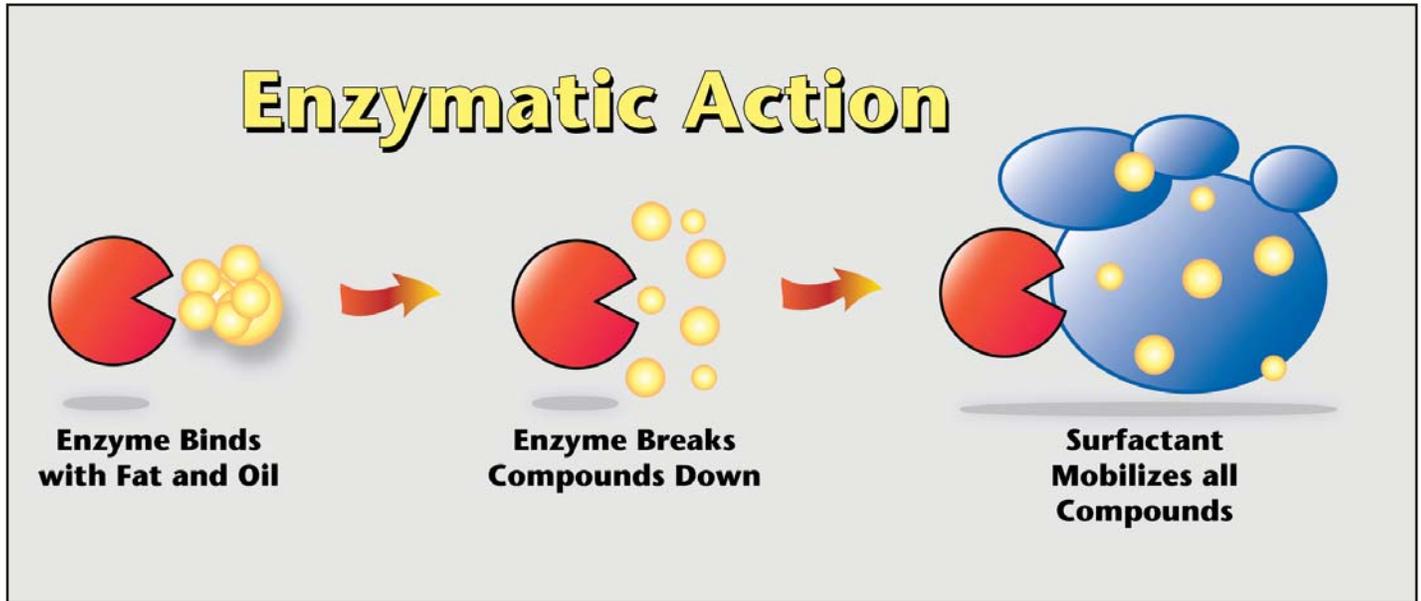

A biological and enzymatic floor degreaser. It contains a synergistic blend of natural microorganisms that releases enzymes to consume and break down food, grease, oils and organic material. Greasy Kitchen Floors are no match for Enzy-Clean. Item No. 910883

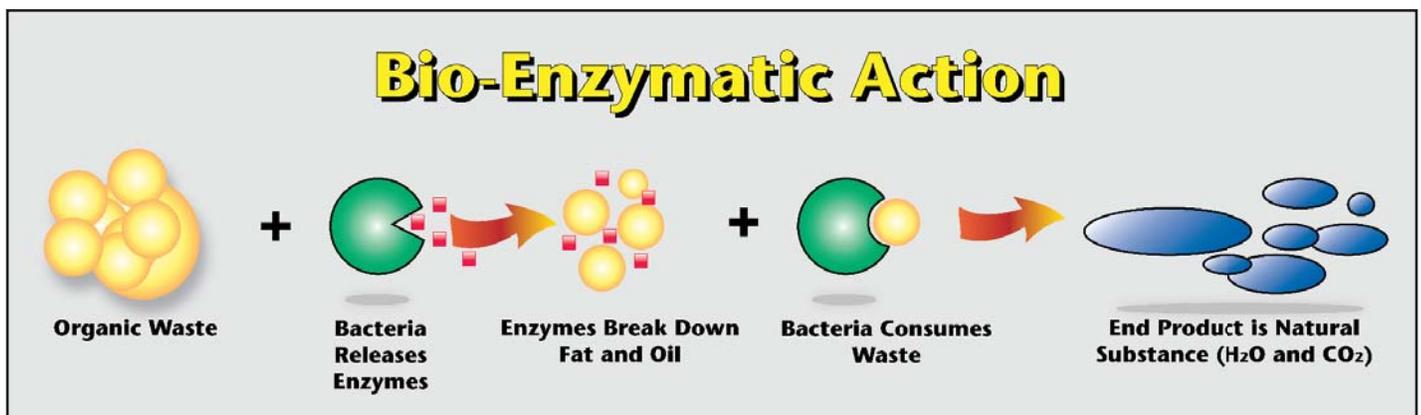

How It Works

Multi-Clean's line of bio-enzymatic products contain Bio-Zyme, which is a special blend of microbes and enzymes that target specific soil and consume sources of odors.

Enzymatic Action is an immediate effect where cultivated enzymes readily break down animal and vegetable fats and oils. The enzymes continue working after the initial cleaning and also help prevent drain build up and odor..

Bio-Enzymatic Action uses beneficial bacteria which release specific enzymes that break down a wide variety of organic material to enhance cleaning and counteract bad odors.
