

Eco-Preferred Solutions

Green Cleaning, is Defined as
Cleaning that Minimizes Impact
on Health and the Environment

Multi-Clean[®]

Eco-Preferred Product Line

Eco-Preferred products are high performance formulas designed for facilities that have implemented or are interested in “Green Cleaning” programs. The Multi-Clean Eco-Preferred line can help facilities earn points toward LEED-EB* certification as well as achieve the goals of a Green Cleaning program. These products can also help you comply with requirements of Green Seal GS-42 Environmental Standard for Cleaning Services.

Cleaners/Degreasers

Century Maintenance Cleaner

 Penetrates and suspends soils for efficient cleaning by automatic scrubbing or damp mopping. Great for use in UHS Programs. Neutral pH 7

Super Clean Shine

 natural soap based cleaner designed for daily cleaning and conditioning of all stone floors. Using Super Clean Shine on stone floors helps retain the natural color and beauty of stone floors. Use with a regular mop and bucket or microfiber cleaning systems.

Blue Blazes

 Use on walls and vertical surfaces, venetian blinds, leather and plastic upholstery, steel files and lockers, truck and automobile bodies, stainless steel food processing equipment, porcelain and chrome surfaces, dustmop laundering, bowling pins, etc.

Tough Green

 formulated to provide powerful degreasing and still be safe for the user and the environment. Tough Green can be used for all types of cleaning and degreasing.

Double O Seven

 Peroxide Cleaner is a combination of hydrogen peroxide H₂O₂ (the “OXYgenator” which provides color safe bleaching and deodorizing) and biodegradable surfactants providing superior cleaning, yet is environmentally responsible.

Bio-Power Plus

 multi-purpose biological digester/odor counteractant. It contains a synergistic blend of microorganisms that release enzymes to consume a variety of organic debris including urine deposits, trap & drain grease, vomit, rotting garbage, milk and blood stains, septic waste and other similar odor causing debris.

Red Lightning

 Use on walls and vertical surfaces, venetian blinds, steel files and lockers, sealed wood, truck, aircraft and automobile surfaces, stainless steel, aluminum, food processing equipment, porcelain and chrome surfaces, etc.

Multi-Shine

 Multi-Shine is a high performance cleaner for glass, mirrors and polished surfaces. The product cuts through dirt, grime, smudges and smoke films for fast and easy cleaning with no streaking. Can also be used on polycarbonate surfaces.

This product meets Green Seal™ Standard GS-37, GS-40 or GS-41A based on effective performance and protective limits on VOCs and human & environmental toxicity. GS-37-certified products also meet criteria for concentrated volume and minimized/recycled packaging. GreenSeal.org.

The product adhere to Multi-Clean's internal evaluation of strict criteria in order to have minimal human health and environment impact.

Safer Choice-labeled products meet EPA's safer product standards:3 Eliminator, 70 Tough Green, Tough Green, ECO2, and Double O Seven.

Bio-Based products formulated with renewable resources that meet USDA Biopreferred product requirements.

Eco-Preferred Product Line

Restroom Care

Century Q 256

no-rinse, neutral pH, hospital disinfectant cleaner that disinfects, cleans and deodorizes in one labor-saving step. Use on all non-porous environmental surfaces that require disinfecting.

Foaming Hand Soap

with lanolin and aloe, delivers rich creamy moisturizing foam when dispensed through Multi-Clean's unique foamy dispenser. This foaming hand wash cleans daily soils off of hands and has a citrus floral scent. No need to wet hands before applying.

Green Isle Hand Soap

delivers rich creamy moisturizing foam when dispensed through Multi-Clean's unique foaming dispensers. Green Isle Foaming Hand and Body Wash is gentle to both hair and body with a citrus fresh scent. Rinses easily leaving skin feeling clean and moisturized.

Carpet Care

Extraction Shampoo

EXTRACTION will not clog spray jets or otherwise interfere with equipment operation. This mild pH formulation is safe for use on most carpets, including stain-resistant 5th generation nylon.

ECO₂

a low moisture system that encapsulates soil for easy removal and leaving no residual. Hydrogen peroxide supplies oxygen (O₂) to help destroy odors and power out soils, leaving carpets looking and smelling clean.

Bio-Shine

a concentrated daily floor cleaner that is based on palm, coconut, sugarcane, and corn. Naturally clean... Bio-Shine is fortified with enzymes to consume waste and neutralize odors.

Certified Floor Care System

Clear Essence Floor Finish

does not give off harsh ammonia fumes during application making this finish ideal for use in hospitals, nursing homes, schools and other areas where odor must be kept to a minimum. Clear Essence exhibits excellent burnish response using high speed and ultra high speed equipment.

Century Maintenance Cleaner

Penetrates and suspends soils for efficient cleaning by automatic scrubbing or damp mopping. Great for use in UHS Programs. Neutral pH 7

Ultra Stripper Finish Remover

Ultra-Stripper is able to remove build-up of floor finishes with great efficiency. This highly active stripper cuts even heavily burnished films down to bare floors quickly. Ultra Stripper also works great for deep cleaning grouted tile floors.

Multi-Task System Dilution Control System

007 Double O Seven

 used for all daily cleaning tasks including floors, walls, glass, mirrors, countertops, and more. The combination of hydrogen peroxide (the "OXYgenator" which provides color safe bleaching and deodorizing) and biodegradable surfactants provides superior cleaning of all water safe surfaces, yet is very environmentally responsible.

2 Multi-Shine

 Use on all glass and mirrors. Great for general purpose cleaning of any polished or painted surfaces (brass, aluminum, vinyl, plastics, formica, stainless steel, etc.) Safe for use on polycarbonate.

3 Eliminator

 Stronger than general purpose cleaners, attacks and lifts everyday grease and grime on hundreds of surfaces. Simply spray and wipe surfaces clean.

4 Foamy Mac

 Use on sinks, countertops, and fixtures for daily cleaning and deodorizing of restroom surfaces. Excellent for showers and tubs to remove stubborn hard water scale and soap scum. Safe on chrome surfaces for daily usage. Removes and prevents mineral deposits and soap scum build-ups. Brightens grout.

5 Century Maintenance

 Highly effective for daily cleaning by automatic scrubber or damp mop. The surfactants penetrate and suspend soils without dulling of finishes. Neutral pH 7, Non-alkaline formula helps retain high gloss on finished floors. Simply the best cleaner for UHS programs.

6 Blue Blazes

 safely used on all surfaces not harmed by water. Blue Blazes is a work horse cleaner that can be used in mop buckets, automatic scrubbers, spray bottles, microfiber cleaning systems and even for laundering heavily soiled items (i.e. rags, linens, mops).

16 Neutra Zyme

 Neutral pH 7 Non-alkaline formula helps retain high gloss on finished floors. Simply the best cleaner for UHS programs. Surface Safe, use on VCT, vinyl, rubber, laminate, sealed wood, marble, grouted tile, and natural stone floors.

17 Odor-Rite Tropical

 Use in a spray bottle for general air freshening, pump up sprayer for dumpsters, or other malodor sources. Add to mop water or autoscrubber solution tanks to leave a fresh scent behind after cleaning. After using, a long lasting fresh fragrance is left behind to leave areas smelling clean.

18 Tri-Fecta

 Tri-Fecta is a bio-enzymatic cleaner that effectively cleans and consumes with deodorizing action. The fresh mint fragrance leaves everything smelling fresh and clean.

70 Tough Green

 Tough Green can be used for all types of cleaning and degreasing. The unique blend of biodegradable surfactants and environmentally safe solvents penetrates the dirt, grease and grime and holds them in suspension until removed with a wet pick-up vacuum, mop, squeegee or automatic scrubber.

22 Bio-Shine

 BIO-SHINE is a concentrated daily floor cleaner that is based on palm, coconut, sugarcane, and corn. Naturally clean... Bio-Shine is fortified with enzymes to consume waste and neutralize odors.

256 Century Q

 no-rinse, neutral pH, hospital grade disinfectant cleaner that disinfects, cleans and deodorizes in one labor-saving step. Use on all non-porous environmental surfaces that require disinfecting.
