

Fury Degreaser

Multi-Purpose Degreaser

Description:

Fury Degreaser is an advanced, heavy duty degreaser that removes oils and grease from a variety of surfaces. Fury's controlled alkalinity makes it a non-corrosive class cleaner, ideal for shop degreasing at automotive dealerships, car/truck repair garages, industrial factories, warehouses, and much more.

Features and Benefits

Concentrated: Superior degreasing at lower dilutions makes Fury more economical. Use the Fury Challenge Calculator to compare in use costs of Fury to competitive degreasers.

Non-Corrosive: Controlled alkalinity provides degreasing power at a moderate pH to minimize safety and disposal concerns.* FURY will not harm sensitive metals like aluminum, brass, or alloy wheels.

Versatile: Use with cleaning equipment including pressure washers and auto-scrubbers. Also, use in spray bottles, mop buckets, or sprayer / applicators for general degreasing.

Compatible: Fury degreaser has been shown to work in facilities that use oil separating equipment.

Directions For Use

Fury Degreaser can be used indoors/outdoors with high pressure washers, mops, scrubbing brushes and is ideal for use in automatic scrubbing machines. Dilute with water prior to use.

NOTE: Use only on surfaces resistant to alkaline cleaners. Floor finish and other sensitive surfaces may be adversely affected.

Safety Information

Caution: Irritant. Prevent contact with eyes, skin and mucous membranes. Harmful if swallowed. Keep out of reach of children. Rubber gloves and safety eyewear should be used when cleaning by hand.

*The Disposal of cleaning solutions should be in accordance with local regulations. Some municipalities regulate disposal by the pH of the solution. Fury solutions will have a pH that is less than 11.5

Multi-Task System

Available in the Multi-Task line:
Multi-Task 80 Fury Degreaser

Sanitary Maintenance 2016
Distributor Choice Award winner!

Heavy Duty Degreaser for Use on Industrial Surfaces.

Properties

Appearance	liquid, orange, mild aroma
pH.....	10.4- 11.4
Specific Gravity.....	1.037
Flashpoint.....	Non-flammable
Dilutions:	Heavy soil - 8-16 oz./gal. Normal soil - 4-6 oz./gal. Light soil - 1-2 oz./gal.
Foamability	Low/Moderate
Hardwater Tolerance	Good
Detergency	Very good
Phosphate-Free.....	Yes
Biodegradability	Excellent
Storage Stability	Excellent, 1 year minimum under normal conditions.
Freeze-Thaw Stability.....	Will freeze. Agitate after thawing.
VOC Compliant - VOC Free	

Packaging

Size	Part No.
55 gallon	910597
5 gallon	910595
1 gallon	910593
