## HD - Heavy Duty Cleaning

**Double-O-Seven** when dispensed through the Multi-Task Dispenser is used for grout cleaning and brightening, kitchen degreasing, restroom cleaning, spotting and stain removal, pre-spray and other tough cleaning tasks. The combination of hydrogen peroxide (the “OXYgenator” which provides color safe bleaching and deodorizing) and biodegradable surfactants provides superior cleaning of all water safe surfaces, yet is very environmentally responsible.

**Double-O-Seven** is effective at removing greasy soils, dirt, and oils while brightening and deodorizing the surfaces at the same time.

**Double-O-Seven** does not contain any glycol ethers such as “Butyl”, phosphates, nonylphenols, or chlorine bleach.
