

Easy-Fill Gun

Portable Dilution Control

Multi-Task® System

The Easy-Fill Gun allows dispensing of Multi-Task® concentrates into auto-scrubbers.

The Easy-Fill Gun provides a low cost solution for portable chemical dispensing and can be used with any Multi-Task® concentrate to fill spray bottles, buddy jugs, mop buckets, and auto-scrubbers. Easy and safe to use "no chemical contact" and meets ASSE 1055 code standard. Easy-Fill dispenses at 2 gallons per minute.

Easily fills spray bottles and buddy jugs at 2 gallons per minute.

Fills mop buckets with the lockable trigger allowing for hands free dispensing into large containers.
