

VaMoose

Encapsulation Carpet Spotter

VaMoose is a ready-to-use all purpose peroxide cleaner. The combination of hydrogen peroxide (H₂O₂) special detergents and an encapsulating polymer powers out all types of stains. Safe to use on nylon, olefin and wool carpet.

Oxy Power Helps Stains Disappear

VaMoose is a general spotter effective at removing beverage stains from coffee, sports drinks, sodas, wine, and grape juice. Effective at removing yellow stains from urine and other bodily fluids. Use on greasy food stains, tomato based stains including ketchup, BBQ and spaghetti sauce.

Prevents Stains from Coming Back

VaMoose is an encapsulating spotter, eliminating the need to extract after spotting. When extracted, stains can reappear days later through a process called "wicking". Using VaMoose prevents wicking.

Directions:

1. If spill is fresh, blot up as much as possible with absorbent cloths.
2. Apply VaMoose generously (do not saturate) to the stain area and 1/2 inch outside the stain border.
3. Use a spotting brush to gently work the spotter into the fibers.
4. Allow to stand 1-5 minutes. Gently agitate with the spotting brush.
5. Blot with an absorbent cloth. Allow to dry.

Cleans, Deodorizes and Brightens

VaMoose will clean, deodorize and brighten carpet, all in one step.

Properties

Color	White milky liquid
Odor.....	Citrus Fragrance
pH.....	3 - 4 (mildly acidic)
Specific Gravity.....	1.01
% Hydrogen Peroxide.....	0.95%
Foaming.....	Moderate
Detergency	Excellent
Flashpoint.....	Greater than 210°F
Dilution.....	Ready-to-Use
Phosphate-Free.....	Yes
Readily Biodegradable	Yes
USDA Performance Rating.....	C-1
Storage Stability	6 mo. normal conditions (< 90F)
Freeze-Thaw Stability.....	Passes 3 cycles.

VOC Compliant - VOC Free
