

EZ-Mop 360

Ultra Compact Scrubber

Model MM14QP

Minuteman[®]
Excellence Meets Clean

Professional scrubber, ultra compact, the EZ-Mop 360 allows a fast and rigorous cleaning of all types of soil on many types of flooring.

Revolutionary handling allowing a 360 ° rotation on itself, it cleans over a width of 16 inches (410 mm), for a proven autonomy of 1 hour of continuous work.

A true hybrid product between the mop and the scrubber, its extreme maneuverability takes it everywhere, in all the difficult corners and allows a meticulous and precise work closer to the borders.

Compact but robust and reliable, its chassis is made of high-density 304 stainless steel for true professional use, designed for Industrial Cleaning Professionals to guarantee long hours of work over time.

Thanks to its 36 Volts Lithium battery, the EZ-Mop charges quickly. Two 8 inch diameter (205 mm) flat brushes provide effective agitation.

With 5,400 square feet per hour, this new generation scrubber is an ideal quick response tool, ready to respond to any eventual and unforeseen event of the day.
