Double-O-Seven when dispensed through the Multi-Task Dispenser is used for grout cleaning and brightening, kitchen degreasing, restroom cleaning, spotting and stain removal, prespray and other tough cleaning tasks. The combination of hydrogen peroxide (the “OXYgenator” which provides color safe bleaching and deodorizing) and biodegradable surfactants provides superior cleaning of all water safe surfaces, yet is very environmentally responsible.

Double-O-Seven is effective at removing greasy soils, dirt, and oils while brightening and deodorizing the surfaces at the same time.

Double-O-Seven does not contain any glycol ethers such as “Butyl”, phosphates, nonylphenols, or chlorine bleach.

Use good safety practices: wear rubber gloves & safety goggles when handling cleaning products. Disposal: waste from normal cleaning procedures may be sewered, depending on the materials being cleaned as well as state, federal and local sewer commission regulations. Improper use and dilution poses risk of physical injury or property damage.

This product meets Green Seal™ Standard GS-37 based on effective performance, concentrated volume, minimized/recycled packaging and protective limits on: VOCs and human & environmental toxicity. GreenSeal.org.

Double-O-Seven is effective at removing greasy soils, dirt, and oils while brightening and deodorizing the surfaces at the same time.

Double-O-Seven does not contain any glycol ethers such as “Butyl”, phosphates, nonylphenols, or chlorine bleach.

**Properties**

- **Color**: Orange liquid
- **Fragrance**: Orange
- **Specific Gravity**: 1.04
- **% Hydrogen Peroxide**: 6.0 - 7.0%
- **Foaming**: Moderate
- **Detergency**: Excellent
- **Flashpoint**: Greater than 210°F
- **Water Temperature**: Cool (60 - 80°F)
- **Phosphate-Free**: Yes
- **Readily Biodegradable**: Yes
- **Storage Stability**: 6 months under normal conditions (Less than 90°F)
- **Freeze-Thaw Stability**: Passes 3 cycles

**Disposal**: waste from normal cleaning procedures may be sewered, depending on the materials being cleaned as well as state, federal and local sewer commission regulations.

Use good safety practices: wear rubber gloves & safety goggles when handling cleaning products.

**Packaging**

4 x 2 liter Bottles

908702
