S.B.R. Cleaner & Restorer is designed to clean and maintain floors with one product. Scrub floors clean by either using an autoscrubber or by mop-on application. Burnish to restore the floors to their original shine. Use on resilient tile, sealed wood, terrazzo, marble, concrete, and quarry tile floors.

3 in 1 cleaner...Scrub, Burnish, Restore. Use SBR to clean surfaces immediately followed by burnishing to revive the gloss of floors. Solvents and plasticizing agents temporarily soften finish to enhance burnish response.
