

Letter of Continuing Guarantee

Product Name: M-C 10 Sanitizer

Multi-Clean, the manufacturer of the product listed above hereby guarantees the product listed complies with 9CFR Section 416.4(c) and USDA Sanitation Performance Standards Compliance Guide Appendix 2, Chemical Use Standards, Sanitizers and Disinfectants. Last Revised March 4, 2016.

Product Description: Multi-Clean M-C 10 Sanitizer is a no rinse, food contact surface sanitizer with EPA registration number 10324-63-5449

The product meets the profile of USDA's former classification "**D2 Sanitizers for all surfaces not always requiring a water rinse**".¹

M-C 10 Sanitizer, when applied as directed to pre-cleaned/rinsed food contact surfaces, equipment, or utensils will not cause the adulteration of food.

The product referenced above is not a food additive. Cover, protect or remove food items from the area prior to cleaning and sanitizing. Always follow instructions on the product label.
